PRESENTATION OF MINI-MPA CERTIFICATES TO THE SEDGWICK COUNTY 2014-2015 GRADUATES.

Presented by: Dr. Nancy McCarthy-Snyder, Director, Hugo Wall School of Public Affairs and Gayle Martin, Program Manager, Center for Urban Studies, Wichita State University.

RECOMMENDED ACTION: Present the certificates.

The MiniMPA^(sm) provides executive development in public administration through an intensive 16-week session format. Participants are exposed to concepts focusing on public management, public finance and public policy. This program provides leadership development for public service employees and builds continuity of services throughout the organization by establishing a systematic process where leadership potential is identified and developed.

The following Sedgwick County employees have completed all the requirements for the Mini-MPA certificate:
