Legislation Text

File #: 15-0284, **Version:** 1

Approval of Payment in Settlement of Claim.

Recommended Action: Approve payment of the settlement of claim.

Background: In 2012, the County received a Worker's Compensation Claim with a date of accident of August 3, 2012.

Analysis: The parties have arrived at a settlement of the claim in the amount of \$135,000 plus future medical treatment costs.

Alternatives: N/A

Financial Considerations: Payment for the claim will be made through the County's Risk Management Reserve. Sufficient budget authority exists with the 2015 Risk Management budget to fund the claim.

Legal Considerations: Settlement of the claim will bring a final resolution of the matter without further legal proceedings or expense. Approval requires only a simple majority. This resolution is not subject to protest.

Policy Considerations: N/A
