Agreement between Sedgwick County and the Oaklawn Improvement District for Controlled Access to Certain Roadways.

Recommended Action: Approve the agreement and authorize the chairman to sign.

This request is for September 19, 2015. It is an annual recurring event. As with past events, the Oaklawn Improvement District has agreed to coordinate with the Sedgwick County Sheriff's Office with regard to traffic control upon County roadways used for such purpose. The parade route is set forth on the map incorporated as Exhibit A of the agreement.

Financial Considerations: None

Legal Considerations: K.S.A. 19-212 vests the Board of County Commissioners with broad powers in conducting the business of the County at a meeting. The County's general police powers allow protection of the public health, safety, and general welfare of the public. This agreement is similar to prior controlled access agreements. A Certificate of Insurance, approved by the Office of the County Counselor, is required and has been provided pursuant to Section 4 of the agreement.

Policy Considerations: None
