OPEN FINANCE APPLICATIONS ON COUNTY WEBSITE.

Presented by: Chris Chronis, Chief Financial Officer.

RECOMMENDED ACTION: Receive and file.

Public Comment.

Open Finance initiative includes two applications - Open Spending and Open Budget. Open Spending allows residents to search and review Sedgwick County government's revenues and expenditures for the current year (updated weekly) and previous five years. Users can identify revenues and expenditures by category, fund, functional area or vendor, and can view a summary of any single transaction. Open Budget allows residents to see how actual expenses and revenues compare to planned revenues and expenses. Open Budget also includes information on our larger Capital Improvement projects.

Multimedia Presentation: yes.
