PUBLIC COMMENT.

The Central Plains Area Agency on Aging (CPAAA) will enter into a provider agreement with Butler County Department on Aging (BCDoA) to provide case management services to Butler County residents for the Older Americans Act (OAA), In-Home Services program. The agreement details how the agency will provide case management services to Butler County residents 60 years of age or older who need support services enabling them to remain in the community and in the home environment of their choice. The OAA, Title IIIB program provides assessment, case management and coordination of in-home services to eligible participants.

Alternatives: Not approving this agreement would require CPAAA to provide case management services to OAA participants in Butler County.
