### **Agreement with the Wichita Center for Graduate Medical Education (WCGME) and the University of Kansas School of Medicine-Wichita.**

**Recommended Action:** Approve the contract and authorize the Chairman to sign.

**Background:** COMCARE has a successful partnership with the Wichita Center for Graduate Medical Education (WCGME) and the University of Kansas School of Medicine - Wichita (KU) which allows third year psychiatry residents to complete a rotation at COMCARE. The residents are KU students and employed by WCGME; COMCARE reimburses WCGME monthly for the actual cost for each resident (approximately 1.3 FTE positions) for a total amount not to exceed \$65,000.00.

The psychiatry resident program is beneficial for both residents and COMCARE. COMCARE receives high quality services at a relatively low cost and the residents receive experience at a community mental health center. Having residents also provides COMCARE with the opportunity to interact with these physicians, and many of our psychiatrists have come from this program.

**Alternatives:** Quality medical services are expensive but very necessary to adequately address mental health issues. This agreement with WCGME provides a relatively low cost option to serve COMCARE consumers with high quality medical services via the residents. Without this agreement COMCARE consumers would have less timely access to medical services and/or COMCARE would have to find another means of providing medical services, either via a contract or the addition of another doctor to the staffing table, both of which would be more expensive.

**Financial Considerations:**

Cost: Not to exceed \$65,000.00

**Funding Sources:**

\$16,250.00 310276-17 CSS Medical Services

\$16,250.00 310106-17 Crisis Center Medical Services

\$16,250.00 310346-17 Center City Medical Services

\$16,250.00 310369-17 ATS Medical Services

Term: 07/01/17 to 06/30/18

**Budget Authority Adjustment:** No additional budget authority is being requested. There is sufficient budget authority in the 2017 adopted and 2018 requested budget.

**Legal Considerations:** The authority for this action is K.S.A. 19-101 and a simple majority vote is required.

**Policy Considerations:** All Sedgwick County policies have been followed in the development of this renewal agreement
