Legislation Text

File #: 18-486, **Version:** 1

Third amendment to the annual contract between the Kansas Department on Aging and Disability Services and the Sedgwick County Developmental Disability Organization.

Recommended Action: Approve the third amendment and authorize the Chairman to sign.

This agenda item seeks to amend the State Fiscal Year (SFY) 2016 contract (original agreement) between the Kansas Department on Aging and Disability Services (KDADS) and the Sedgwick County Developmental Disability Organization (SCDDO) to extend the contract until June 30, 2019. The amendment does not include any significant changes from the original agreement, it simply extends the terms for another year. The contract sets the responsibilities and payment for the SCDDO to function as the Community Developmental Disability Organization for Sedgwick County. If approved, this amendment will be effective from July 1, 2018 through June 30, 2019.

Alternatives: The amendment could be rejected in its current form with instruction to the division to pursue other options for local system management. In this case, the State would withhold payment to the SCDDO, impacting the ability to pay service providers and support SCDDO operations.

Financial Considerations: No additional budget authority is being requested. This amendment simply renews the main funding agreement from the State (which is already budgeted). The funding in this amendment will support administrative expenses budgeted in 32009-251; 32010-251; 32012-251; and 32013-251 as provided below.

32009-251 - State Aid \$1,043,410
32010-251 - Quality Assurance \$411,146
32012-251 - Service Access and Outreach \$264,781
32013-251 - Admin/Finance CDDO Administration \$870,921
TOTAL: \$2,590,258

Legal Considerations: This contract amendment to extend the term of the agreement requires approval of the Board of County Commissioners. A simple majority vote is required.

Policy Considerations: N/A
